The Director of Central Intelligence

Washington, D. C. 20505

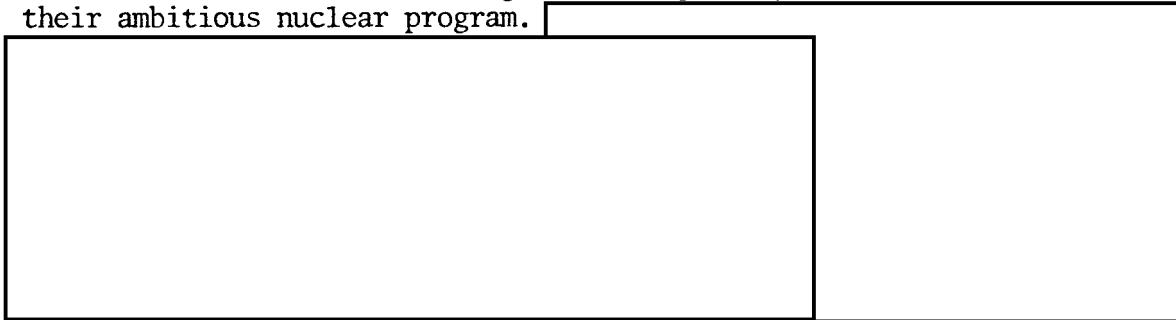

17 SEP 1982

The Honorable Caspar W. Weinberger
Secretary of Defense
Department of Defense
Washington, D.C. 20301

Dear Cap:

The Intelligence Community recently completed the enclosed assessment of Argentina's nuclear policies in the aftermath of the Falklands defeat.

Because of the present political and economic turmoil in Argentina, there is great uncertainty about what choices Argentine leaders will make in the coming months regarding the direction of their ambitious nuclear program.
